

RENU Automation Products

ECD offers a complete range of automation and control products including RENU Electronics. RENU Electronics is a global manufacturer of industrial electronics and factory floor automation products including:

- Touch Screen & Keypad based HMI
- Modular PLCs
- HMI & PLC Combos
- Analog & Digital I/O Modules
- Protocol Converters
- HMI Software/SCADA

Starting at
\$131.00

FP3035 series

The RENU FP3035 series of color HMI touch displays feature high resolution (480 x 320) in a compact 3.5" package.

- Real-time clock
- Two serial ports
- USB Type B port
- 32 bit RISC processor
- FREE programming software

The RENU FL005 series of ultra-micro PLCs are a family of compact CPUs with integrated digital and analog I/O offering low cost high performance.

- DIN rail / back panel mount
- Up-to two serial ports
- One USB device port
- 32 bit RISC processor
- FREE programming software

FL005 series

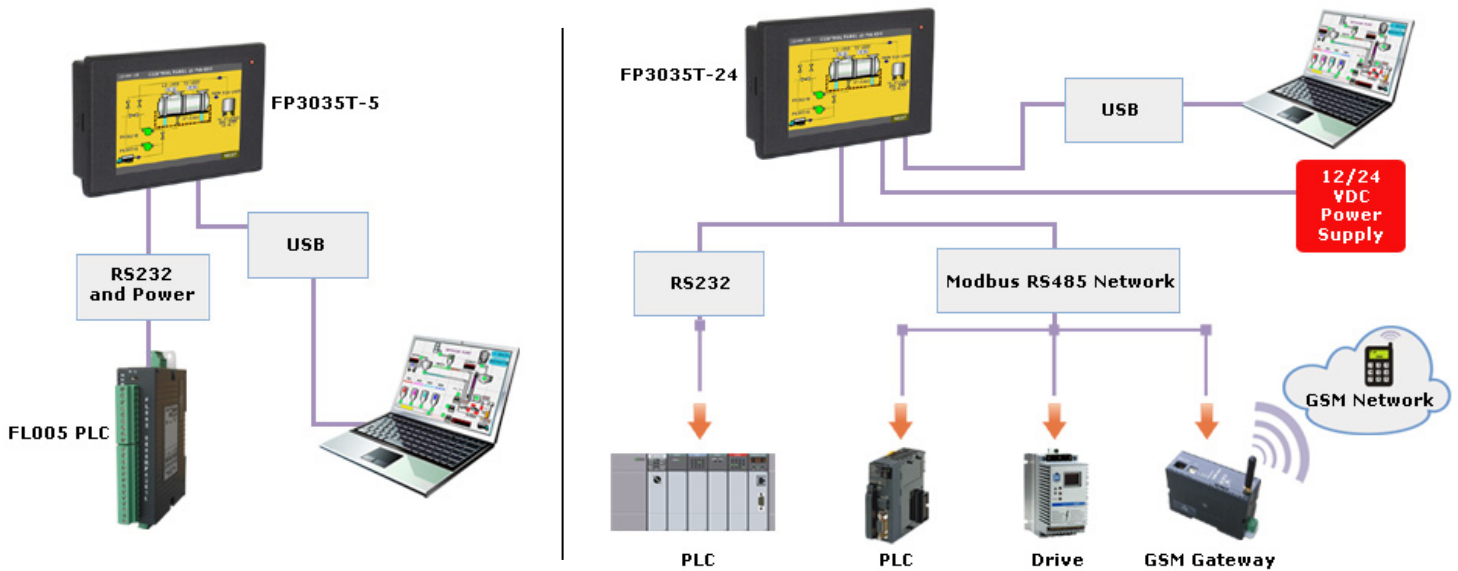

Starting at
\$120.00

Application Examples

Ordering Information

Product	Model	Description	Power	Communication Ports		Price
				Serial	USB	
FP3035	FP3035T-24	Color (480 x 320) 3.5" TFT HMI	12 / 24 VDC	1 - RS232 & 1 RS485	1	\$165.00
	FP3035T-5	Color (480 x 320) 3.5" TFT HMI	5 VDC*	1 - RS232	1	\$131.00
FL005	FL005-0604P	FlexiLogic 6 DI, 5 pnp DO PLC	24 VDC	1 - RS232	1	\$120.00
	FL005-0604N	FlexiLogic 6 DI, 5 npn DO PLC	24 VDC	1 - RS232	1	\$120.00
	FL005-0808P	FlexiLogic 8 DI, 8 pnp DO PLC	24 VDC	1 - RS232 & 1 RS485	1	\$142.00
	FL005-0808N	FlexiLogic 8 DI, 8 npn DO PLC	24 VDC	1 - RS232 & 1 RS485	1	\$142.00
	FL005-0808RP	FlexiLogic 8 DI, 6 relay, 2 pnp DO PLC	24 VDC	1 - RS232 & 1 RS485	1	\$156.00
	FL005-0808P0201L	FlexiLogic 8 DI, 8 pnp DO PLC, 2 AI, 1 AO	24 VDC	1 - RS232 & 1 RS485	1	\$175.00
	FL005-0808N0201L	FlexiLogic 8 DI, 8 npn DO PLC, 2 AI, 1 AO	24 VDC	1 - RS232 & 1 RS485	1	\$175.00
	FL005-0808RP0201L	FlexiLogic 8 DI, 6 relay, 2 pnp DO PLC, 2 AI, 1 AO	24 VDC	1 - RS232 & 1 RS485	1	\$186.00

* 5 VDC from PLC or USB port of PC.
