

Featured Products

The WAGO Lever-Nut (222 series) and Wall-Nuts (773 series) series of products are exciting ways of solving the many wiring situations you encounter on a daily basis.

The 222 series Lever-Nut splicing wire connectors are reusable and allow direct connection of #28-12AWG, solid or stranded wires. They are rated 600V, 20A. Examples of installations include:

- Connecting motor leads
- Splicing extension wires for TC's or sensors
- Easy connection of smaller gauge wires to larger ones
- Combining wires of different types (solid & stranded)

The 773 series Wall-Nut push wire connectors allow direct connection of #18-12AWG solid or #16-12 stranded wires. They are rated 600V, 20A (there is a version that is also rated for #10AWG). Examples of installations include:

- Connections in junction boxes
- Butt or tap splices
- Easy connection of smaller gauge wires to larger ones
- Combining wires of different types (solid & stranded)

Lever-Nuts	Conductors	Box	Jug	Price Each
222-412	2	\$11.00/Box of 50 0222-412/K194-4045	\$78.00/Jug of 350 0222-0412/PW25-0350	\$0.22
222-413	3	\$13.75/Box of 50 0222-0413/K194-4045	\$69.00/Jug of 250 0222-0413/PW25-0250	\$0.28
222-415	5	\$17.50/Box of 40 0222-0415/K194-4045	\$66.00/Jug of 150 0222-0415/PW25-0150	\$0.44

Wall-Nuts	Conductors	Box	Jug	Price Each
773-162	2	\$8.75/Box of 100 0773-0162/K194-4045/PW53-0000	\$57.00/Jug of 650 0773-0102/PW25-0650	\$0.09
773-164	4	\$9.50/Box of 100 0773-0164/K194-4045/PW53-0000	\$38.00/Jug of 400 0773-0104/PW25-0400	\$0.10
